## WRECK ON THE LINE OF THE S. P. STRIKERS ORDERED TO BE IN COURT.

Freight Cars Leave the Track and Tie Up the Road.

**INDIANAPOLIS, Ind., April 3.—**The Redwood Manufacturing Company has appealed to the United States Court for protection for its employees against the iron moulder who have been on a strike for a month past. The complaint charges that men who want to work are terrorized by the striking men and that some of them are afraid to come to the factory.

Judge Baker ordered the strikers whose names were given in the complaint to appear before him April 13th and show cause why a restraining order should not be issued.

"I want you to change your bill of complaint," Judge Baker said to the plaintiff. "I want you to include in it a prayer for damages. It does not matter whether those men have any property or not. I will appoint a special master to fix the damages and if you secure judgment against these strikers, officers can, if the men are caught in bed, take away their clothing. They can have no property except under the State laws. The judge must keep them in insolvency as long as they live, or until the judgment is paid. Things have come to a pretty pass when the city of Indianapolis will not give the men who want to work protection from men who do not want to work."

### PASSENGER RATES

**WESTERN PASSENGER ASSOCIATION TRYING TO SETTLE TROUBLES.**

**CHICAGO, April 3.**—Members of the Executive Committee of the Western Passenger Association met here today to consider the change in the status of the organization owing to withdrawal of the Rock Island Road. It was said a strong effort will be made to prevent the dissolution of the organization, which is to be continued under the name Midwestern.

It was decided that the Chicago Midwestern Passenger Association, but opponents of the plan argue that interests which would be affected by the combination are too varied to permit of harmonious control.

## PROMINENT ATTORNEYS PASS HARD WORDS.

**U. S. District Attorney and Deputy in Warm Dispute.**

**SAN FRANCISCO, April 3.—**"Why Burton Left Prison" is the farce-comedy which has been running all day in the offices of the United States Attorney in the Federal building. It is a three-star affair in which the office of the Surveyor of the Port is represented by Chauncey St. John, United States Attorney Woodworth and his assistant, Duncan McKinlay, play the other leading roles.

It is less of a comedy, however, and more of a problem play. In trying to work out the problem today the District Attorney and his associate nearly came to blows. The attorney was fierce and heated—so much so that the entire Federal service here was greatly excited.

### THE MOVING SPIRIT.

The moving spirit of the drama is Frank D. Burton, who was indicted by the Grand Jury on a charge of smuggling opium. Yesterday a motion to dismiss the prosecution was granted by Judge De Haven, and Burton has been released.

### ST. JOHN MAKES PROTEST.

This motion and subsequent release stirred up the pot of legal纠纷. Deputy Surveyor St. John, who worked up the case, at once protested when the action of the Attorney's office was made known to him, and now the responsibility for the action hangs between Woodworth and McKinlay.

### BLAMES HIS DEPUTY.

United States Attorney Woodworth said: "The indictment was such as made prosecution an utter impossibility, and rather than go through the farce of trial I advised that the case be dismissed. The idea that McKinlay insisted on prosecution and I objected is nonsense. This business of trying to throw responsibility on another won't go."

Miss Susan B. Anthony, the noted woman suffragist, who has been ill on the streets at the home of her niece, Mrs. H. H. Adams, is progressing steadily toward recovery. She was gravely ill yesterday that she was able to sit up for a period of two hours.

While it is confidently expected that Miss Anthony will be about in a few days, care is taken that she does not over exert herself, and thus bring on collapse.

CAPE TOWN, April 3.—Throughout the morning a continuous stream of people followed by the coffin containing the remains of Cecil Rhodes, as it rested in the Cape Town City Hall. The funeral procession this afternoon was most imposing. The coffin, which was draped with the Union Jack which belonged to Rhodes, and with the national flag of South Africa Company, "Companions in the processions," were Messrs. Merriman, Sauer and Molteno, former Ministers, and a number of members of the Africander Band.

**MACEDONIANS DEAL WITH THEIR ENEMY IN A LIVELY WAY.**

### LONDON, April 3.—

A dispatch to the Exchange Telegraph Company from Sofia, Bulgaria, says:

It is reported that fourteen revolutionary bands crossed the frontier into Macedonia during the past few days.

A party of Turks recently ambushed

200 Bulgarian outlaws in the Mountains of Kizu, killing several of the band and capturing the remainder.

The Macedonians are accused of hor-

rible atrocities, of which it is hard to obtain confirmation. It is reported

that they skinned one Turk alive, stuff-

ed the skin and carried it about as a trophy.

## AN EXPLOSION IN CHICAGO RESULTS IN LOSS OF LIFE AND PROPERTY.

**CHICAGO, April 3.—**Armed forces representing two rival suburbs of Chicago contested for the possession of a water works plant between midnight and daylight today. The plant is situated in the town of Bellwood. This town and the town of Cicero, a suburb, were friends of both the contestants and the contestants.

Mrs. Elizabeth A. Hood, who is guardian ad litem of the disinherited minor daughter, resumed the stand. Yesterday she testified that she had frequently met Mrs. Way in the later years of her life, and at every successive visit, witness noted that Mrs. Way's mental faculties were failing rapidly. At the time of her death, Mrs. Way was 81 years of age. This morning Mrs. Hood was cross-examined by Judge Gibson and told practically the same story as regards her relations with Mrs. Way.

Attorney Gibson asked the witness how she came to be so interested in Mrs. Way and she replied that she felt in Mrs. Way the interest which a pupil should have for an old teacher.

"What did she teach you?" asked Attorney Gibson.

"She taught me singing, music, dancing and other accomplishments. Mr. Way also taught me some."

"Was Mr. Way a teacher?"

"He was."

"Was Mr. Way a man of means?"

## THEY WILL BURN PROMISSORY NOTE

FIRST PRESBYTERIAN CHURCH  
IS NOW FREE FROM  
DEBT.

Because the First Presbyterian Church is out of debt, Rev. Ernest Baker will hold services next Sunday morning suitable for the occasion.

A \$600 note long held over the church will be burned during the service. The fiscal year commences yesterday and the Trustees report all debts paid and money remaining in the treasury.

Next Sunday will also be the anni-

versary of Rev. Baker's pastorate, and he feels highly gratified at both the spiritual and financial outlook for the ensuing year.

**REV. R. F. COYLE HAS WON OUT.**

WAS NOT FORCED TO RESIGN BECAUSE HE ROASTED THE TRUSTEES.

DENTER, Col., April 3.—The annual meeting of Central Presbyterian Church tonight passed off pleasantly by the vestry authorizing the appointment of an assistant to Dr. R. F. Coyle. It was generally expected that the pastor would resign owing to the criticism evoked by the scathing denunciation of the trustees for permitting divorces in the choir and secular entertainments during the week.

Roland Paul, the organist, was recently horsewhipped in the choir by his wife, who is also one of the soloists, but the scandal was allowed to die out without action being taken by the trustees. Paul has applied for a divorce, and is said to be engaged to the daughter of one of the church officers, who is responsible for his appearance in Denver.

"From the first week I noticed a marked change, and within three months I was almost fully restored to my old strength and health. These facts are known to hundreds of my old friends and acquaintances."

#### A PHYSICIAN HURT.

Helped Himself.

When the doctor himself brings on heart disease by the use of coffee it is time for ordinary people to think carefully of the effect that beverage has on the heart.

The testimony of Dr. O. W. Mathewson, 1355 Pennsylvania avenue, Des Moines, Iowa, is as follows: His letter ten years ago I began to notice symptoms of heart disease. This seemed to be a regular organic type and year by year became aggravated. Dizziness, faintness and later, inability to walk, at times.

"Physicians could find no marked symptoms of disease but thought there might be a kind that escaped observation. Finally I became a confirmed invalid and gave up practice.

"Several years elapsed with the symptoms growing worse. I was considered as marked for an early grave, but I was still impressed upon me to give up coffee. This I found easier to do than Postum Food Coffee was used in its place. I did this more to satisfy my friends than with any hope of benefit from such a simple change, especially in such an incurable case as mine. I was debilitated and very weak and about 30 pounds short of my weight.

"From the first week I noticed a marked change, and within three months I was almost fully restored to my old strength and health. These facts are known to hundreds of my old friends and acquaintances."

The maid of honor was attired in pink chiffon over white taffeta and carried a bouquet of Easter lilies, while the bridesmaids were pink chiffon over pink taffeta and carried the same es-

The color scheme of the church was pink and white and the marriage was carried out on the same lines, the costumes of the maids in the bridal party displaying the same colors. The altar and sanctuary were garnished in a most beautiful manner, being brilliant with lights and clusters of Easter lilies bedecked with ferns and palms.

The ceremony was performed at 8 o'clock by Rev. L. C. Stanford, rector of the church.
